

SPS – Preliminary Request for Quotation

You are already registered as a supplier in our portal and have checked and approved your main data. You can see this on your landing page in the process overview; the process steps are colored green at least up to the *Validate main data* field.

You then have the option of viewing public requests for quotation: This will give you an insight into upcoming projects and commodities to be put out to tender in the near future.

If you are interested, you can register to take part in the relevant tender and thus be included directly in our bidder list. The procedure is explained below.

How to view the public RFx

Immediately after login, on your landing page, click on *SOURCING* at the top of the grey menu bar.

Now, select *View Public RFx* from the dropdown menu.

The screenshot shows the STRABAG SPS portal interface. At the top, the navigation menu includes 'GENERAL INFO.', 'SOURCING', 'CONTRACTS', 'CATALOGUE', 'ORDERS', and 'HELPPDESK'. The 'SOURCING' menu is highlighted in red. Below the navigation, the 'Supplier Portal' section has a dropdown menu with 'My RFx' and 'View Public RFx' (highlighted in red). The main content area is divided into several sections: 'INFORMATION' (with details about the BauID card), 'MY TASKS' (a table with columns for Workflow, Number, Description, Action, and Description), 'STRABAG CONTACTS' (a table with columns for Name, E-Mail, and Position in the company), 'SUPPLIER STATUS' (a list of tasks with green checkmarks for 'Submit main data', 'Company attributes', 'Upload mandatory certificates', 'Validate main data', 'Validate certificates', and 'Basis qualified', and a warning icon for 'Change request in progress'), 'INFORMATION' (with details about the supplier hierarchy), and 'SUPPLIER HIERARCHY' (a table with columns for Supplier, Postcode, City, Country, and SUP-Code).

The page opens with a list of all current public RFx.

Searching and filtering in public RFx

The box *Limit to my scope* is automatically ticked, so that only relevant public RFx are shown, for the commodities you have already stored in your service portfolio.

Type of RFx	RFx Name	Type of Service	Main Commodity	Further Commodities	Project	Country	
	Preliminary Inquiry	Vorabfragen zu Ausschreibungen - Müllverbrennungsanlagen	Contract for Work - Full Service	Waste incineration plant	• Gravel • Gravel coarse	Test project HK	DE

1 Record(s)

In the fields *Publication from*, *Publication until*, *Execution begins*, *Execution ends* you can select a date and filter the RFx accordingly by clicking the *Search* button.

It is also possible to enter your own search terms in order to find specific RFx by clicking on *Search*.

Now, select a RFx of interest to you from the list displayed by clicking on the pencil icon at the beginning of the line.

Show selected RFx and details

Once you have made your selection, the information page for the selected RFx will open.

Vorabfragen zu Ausschreibungen - Müllverbrennungsanlagen (BPM000002417) - Lot : 1 / Round : 1
